

Good Day MastrMynd Family!!! It's time to go to work!!! We have over 17,000 people. The MastrMynd Family needs to know how to get money now!!!

- 1) Learn about the MastrMynd Production Unit (MPU), and what it does. So you can sell it.
- 2) Understand that the Federal Government, Universities, Colleges, Junior Colleges, Vocational/Trade Schools, High Schools, and Junior High Schools need this (MPU).
- 3) Why do they need it, because the MastrMynd establishment is demanding it! It will teach us how to Audio Engineer, Edit Film/Video, Build Web-Sites, Cover News, Sports, Politics, and Entertainment!!! The (MPU) will teach the People how to host, and promote concerts, tours, Reality TV Show, and Movies. These types of jobs are Head-of-Household paying positions. Average pay is \$300/day. Also, when you petition, and ask, and petition, and ask, and petition, and ask and continue to petition and ask the aforementioned Educational Institutions to purchase your MastrMynd Units for the Educational System you earn a 10% Commission. Our Base MastrMynd Production Unit is \$250K, so you make \$25,000 for selling one unit!!! This is how we start People!!! Get a list of all the educational institutes in your area, find out who is the Program Coordinator, or Director, and don't stoptalking to them until you get your (MPU) sold. This is how you make a significant income immediately. You will need to read the MastrMynd Executive Summary to know your product, which is the (MPU)!!! All of you Tru Hustla's and Money Makers, let's see what you do with this, because the REAL one's are going to RISE to the TOP!!! Oh yes, the People who sell their (MPU)'s first, will be given territory's to develop and Manage. Also, don't forget to ADD your MastrMynd Founder and CEO Douglas M. Lennard.

Thank you

Douglas M. Lennard

Peace. Tru
